To all participants, please post your adjusted score as defined by the USGA's Equitable Stroke Control (ESC) Procedure -

ESC is an adjustment of individual hole scores (for handicap purposes) in order to make handicaps more representative of a player's potential ability. ESC is applied after the round and is only used when the actual score or the most likely score exceeds a player's maximum number. ESC sets a limit to the number of strokes a player can take on a hole depending on Course Handicap. ESC should be applied to all scores, including tournament scores. Below is the maximum number a player can take:

<u>Course Handicap</u>	<u>Maximum Number</u>
9 or less	Double Bogey
10-19	7
20-29	8
30-39	9
40 & above	10
