News from the Golf Shop

Experience the great weather South Carolina has to offer by teeing it up at your favorite Midlands golf course! Golden Hills has created a golfing experience that is second to none with upcoming club tournaments and events that are sure to excite. We look forward to sharing the beautiful fall days ahead with you and your families!

The staff at Golden Hills strives to create the best golfing experience for you and your family. Over the past few weeks we hope you have noticed work that has been done in numerous places throughout the golf course. The removal of trees is all in an effort to provide you with superior playing conditions throughout the year. Shade and tree roots are a hindrance to quality turf grass. Although we don't want to destroy the aesthetics of the layout, the steps being taken will allow for a more consistent and enjoyable experience. Your words of encouragement and excitement about the work being performed is appreciated and we will continually push the limit when it comes to making improvements.
