## News from the Golf Shop

This month brings warmer days, lush fairways and ample opportunities for you to tee it up at Golden Hills Golf & Country Club. Master's Week is quickly approaching and we are honored to welcome golfers from around the world as they travel to Augusta to watch the pros tee it up for the first major event of the year! Our course will be buzzing with play that week, so remember to reserve your weekly tee times by contacting the Golf Shop. We look forward to seeing you enjoy your home course and everything we have to offer throughout the month!

Thank you to everyone who participated in the MGA Stableford Classic last month. We had an amazing turnout, despite the weather troubles on Saturday. Sunday brought sunny skies and competitive scores, which made for a great overall tournament. Chris Ulmer and Jeff Jones tied for the Championship at +8 in the stableford format. Three players followed closely, only 1 point behind, to finish in a tie for 3<sup>rd</sup>. They were Alan Gibson, Charles Gray, and Scott Wilson. If only 1 more putt had dropped! Once again, thank you to all who participated. For a complete list of results visit our website.

Don't miss your chance to partner with a pro in this years Masters. Golden Hills is offering you a great way to participate and enjoy one of the premier events in golf, with our **Masters Pick a Pro** tournament on Saturday, April 11<sup>th</sup>. How does the tournament work? Each golfer will have the opportunity to pick a Masters participant that made the cut out of a hat. Then, while your partner tees it up

in Augusta, you will tee it up with us at Golden Hills. At the conclusion of your round, we will add your net score with the score of your Masters partner in order to get your team total. You can sign up with your own foursome and make a tee time or we will be glad to find a group for you to play with for the round. We hope to see you Masters Saturday for this fun event.

April kicks off a season of exciting and competitive tournaments at Golden Hills starting with our annual **Member - Member** on April 18<sup>th</sup> & 19<sup>th</sup>. Find a partner and sign up for this esteemed tournament that proves to be a great time year after year. The event is a 36 hole competition with 4 different formats: 1<sup>st</sup> 9 Holes – Modified Alternate Shot, 2<sup>nd</sup> 9 Holes – Captain's Choice, 3<sup>rd</sup> 9 Holes – Best Ball and 4<sup>th</sup> 9 Holes – Aggregate Team Score. Tee times for both days will begin at 9:00 am sharp. Contact the Golf Shop staff to sign up or to find out more information.

## A Better Course ~ *Maximizing the Experience for Everyone*

This time of year is exciting as the course turns green and the fairways become rich. Regardless of the time of year, we set out each day to provide you the best playing experience possible. While our golf shop staff, rangers and maintenance crew must adhere to their responsibilities; to be a truly better course we need your cooperation as well.

The Rules of Golf are the backbone of the game. The first section of the Rules of Golf is etiquette. Important aspects of golf, such as spirit of the game

and safety, are covered. Also included in the etiquette section is care of the course. Raking bunkers, fixing divots and ball marks, and adhering to the posted rules for golf carts are discussed. The basic tenet of the etiquette section in the Rules of Golf is that by following some simple guidelines, the enjoyment of the game can be maximized by **everyone**.

With this in mind, we ask that you respect the course by following the Rules of Golf, club rules and direction from our golf personnel. Be mindful to keep

golf carts off all par 3's and designated fairways in order to ensure good playing conditions for you and your guests. Trash receptacles are placed throughout the property to discard any trash or unwanted items and to keep litter off the course and property.

As we gear up for a great season of golf, join us in our efforts to make Golden Hills a better course and help us maximize everyone's enjoyment of the game.

### Lesson From The Pro

The term **connection** (being, getting or staying) is one of the most widely used terms in the golf swing. If you were to look it up online you would find thousands of websites and blogs trying to explain, in way to much detail I might add, this subject. The term being or staying connected refers to the relationship of the right shoulder, hip and arm as they move forward on the downswing to impact. Tiger used to talk about being stuck which meant that his hips and shoulders were moving so fast to impact that his arms could not catch up, so the club would be "stuck" behind his hips.

Here's a simple drill to help you feel **connected** during the swing. Place the grip of the club in your belly button with your arms extended holding on to the shaft of the club. Keep the shaft at a ninety degree angle to your belly button and simply turn and return. You should get the feeling of your hips, shoulders and arms moving together. If you would like additional information on connection or any other aspect of your game, I will be happy to entertain your questions. May all your drives be long and straight!

Swim team registration has begun! If you haven't done so already, register on our website under the "swim" tab. If you have questions about our program or participating on the Golden Hills Gators team, contact Head Coach, Jennifer McLeod at [goldenhillsgators@gmail.com](mailto:goldenhillsgators@gmail.com)

We're looking forward to another **fantastic** swim season!

### Courtside Notes:

**Tennis Tip** ~ You cannot strike the ball correctly without being in balance. Arriving at the ball with good balance requires that you have taken the right steps with your feet in order to get there. To improve your footwork, incorporate the following drills into your practice sessions: 1. Lateral movement 2. Forward & Backward movement & 3. The ability to recover back to the ready position.

Looking to pick up the game or in need of a lesson? Contact Hobson Performance Tennis & USPTR professional, Morné Hobson, at (803) 719-1385 or [Hobson1@windstream.net](mailto:Hobson1@windstream.net)

Reserving a court is easy and available anytime by visiting our website at [www.goldenhillsgolf.com](http://www.goldenhillsgolf.com). Under the "tennis" tab, members can view available courts and times, then make a reservation.
