Grand Reopening ~ August 8th, 2015

The Experience Only Gets Better!

News from the Golf Shop

We hope this newsletter finds you doing well. We are very excited to announce that the golf course renovations are nearly completed. The project has been documented on the website for you to see the transition of the greens from the beginning to the end product. We believe you will find that the wait has been well worth it! Please be mindful when playing the course that the greens are new and need to be babied. This will include your help in making sure that we all take care to fix the ball marks and sand the divots in the fairways. The golf course is in fantastic shape and I am sure we all would like to see it stay that way.

We are going to have a **Grand Reopening** tournament on August 8th for members and their invited guests. The tournament will begin at 9:00 with a shotgun start. The format will be best 2 net balls of each foursome with 80% of handicap. If you are inviting a guest we prefer that they have an established handicap. If you are planning on playing you may sign up as a 4 person team or with 3, 2 or 1 person and the golf shop will help to pair you with a team. We will have several golfers on standby so everyone will be paired up. The cost will be \$30 per member, which includes your cart fee, lunch and prizes. Sign up as soon as possible by stopping by the Golf Shop or calling 957-3355. Space will be limited to the 1st 120 players. Throughout the week-end everyone can also take advantage of our Grand Reopening Sale in the Golf Shop. Enjoy 50% off all apparel on August 8th and 9th!

The **Golden Hills/Ponderosa Ryder Cup** will be returning to Golden Hills on August 22nd and 23rd. Your Captain, Alan Gibson, will be calling eligible members to extend an invitation to participate on this years team. Results from the Club Championship determines eligibility. So far the home team has had the advantage and kept the cup every year. Let's bring the cup back to Golden Hills!

The Senior Men's Golf Association has been enjoying their visits to other clubs in the area during our course renovation period. They will travel one last time to the Ponderosa on August 4th, before returning to tee it up at their home course on August 11th.

It will be really good to see our senior men back each Tuesday playing at Golden Hills!

The men's dogfight group will continue to travel during the first part of August. We will continue to send out emails on Tuesday's to inform the group of where they are playing. Please be sure to call the Golf Shop at Golden Hills to sign up by 5pm the day before so we can allocate the correct number of tee times at our neighboring courses.

For the first time at Golden Hills, we will offer a **Junior Golf Camp** on Saturdays at 9am this fall. The 1st camp will be on September 12th. A full schedule of days will be scheduled by the 1st of September. The camps will include work on the full swing, short game, and golf course etiquette. The camp will be limited to the 1st ten sign-ups and will last an hour and a half. If we get enough kids to sign up we will also do a camp from 10:30-12. The age group will be from 7-17. This is a great opportunity to introduce your son or daughter to the great game of golf. You can sign up in the Golf Shop by calling 957-3355 or email me at slarick@windstream.net.

This fall will also bring back our infamous **Ladies Chip and Chatter**. I will be soliciting all ladies for days and times that would work best for the group. In the past they have been held on Tuesday, Wednesday or Thursday evening beginning at 5:30 or 6 pm. I believe the 6pm hour works better for some of our working ladies to attend and would like to stay at that time. Please let me know if you plan on attending and which day or days' work best for you.

Once again, we cannot thank you enough for your patience and loyalty during this arduous project. I know each of you is anxious to get to play your home course that was voted best in the Midlands for 5 consecutive years. Your patience will be greatly rewarded when you see the excellent condition of your course. We look forward to seeing you all at the club again!

Your Head Golf Professional,
Steve Larick

Courtside Notes:

Use the Whole Court

Most tennis players tend to forget to take advantage of the geometry of the court. Start with the two most important shots: the serve and the return. Both strokes start the point. Practice those as often as possible. Then switch to your cross-court shots. The more confident you feel with these, the less stressed you'll be when it comes to changing direction.

Reserving a court is easy and available anytime by visiting our website at www.goldenhillsgolf.com. Under the "tennis" tab, members can view available courts and times, then make a reservation. If you have any questions or would like information on tennis at Golden Hills, contact Adam DeLoach at: tennis@goldenhillsgolf.com
