2015 ★ A Year in Review

The renovation project went well and the buzz over the course conditions was at a near all time high by the end of August. Through the ups and downs, we found our resolve and remained committed to providing our members with an improved club and playing experience. That commitment is what drives us each day and it will not falter in the days, weeks or years ahead.

2015 Year in Review

Since the calendar now reads January, it is time to break down the golf year that was. 2015 began with excited anticipation over the golf course renovations planned for summer. It was with heavy hearts and minds that we set out to take on the tremendous task before us and deliver an experience second to none for our members and their guests. The renovation project exceeded expectations and the buzz over the course conditions was at a near all-time high by the end of August. In October we were hit with the wrath of a 1,000 year flood and abnormal rainfall that did its best to dampen our spirits. However, our dedication and commitment held true as we proved that no matter what happened in 2015; the Golden Hills experience will continue to only get better!

Tournaments are an exciting element of the calendar year and we strive to make each event unlike any other. The 2015 tournament season got started in February with the Superbowl Superball. Unseasonably warm weather led to low scores and some great golf. The team of Alan Gibson, Phillip Gibson, Paul Morario and Robbie Davis were the gross champions with a score of 56. In April we hosted our Masters Pick A Pro, where Michael Slapnik mastered his game and shot a net 65. The following week we held our Member-Member. It turned out to be one of our most exciting tournaments of the year, with 3 teams separated by only one shot. In the end, long time members, Chip Whitaker & Bill Danielson captured the championship title with a score of 161. Finishing just 1 shot back and in a tie for 2nd were Phillip Gibson/Joey Joiner & Rick Kester/Bryan McGill. May brought the coveted Club Championship where our men, women and seniors battled it out for the acclaimed title of Club Champion. The tournament proved to be one for the record books as each division winner: Alan Gibson (Men's Champion), Nancy Dodge (Ladies Champion) and Dave McElrath (Senior Champion) have all held the title in multiple years. As member play lightened in the summer months, our course was a buzz with improvements. After weeks of hard work, dedication and prayer we kicked off the re-opening of the golf course with a Grand Opening tournament on August 8th. Over 100 golfers supported the re-opening and all had a grand time. Two weeks later, the Golden Hills Ryder Cup team was victorious against the team from Ponderosa, 15.5 to 12.5. Phillip Gibson, Paul Morario and Shawn Miller shined in their cup matches going undefeated with 3-0 records. Our final tournament of 2015 was our annual Turkey Bowl where we hit the links and then enjoyed a nice reception following play. The Wilson family (Gene, David & Scott) and Ron Stills shot a stellar score of 116 and were crowned Turkey Bowl Champions.

Our members make Golden Hills the success it is today and our growing golf associations including the MGA, SMGA & LGA all work endlessly to create a social and welcoming atmosphere. Starting with its first tournament in February, the MGA Draft, to their year-end Championship, the MGA experienced a strong year. Norman Asmer claimed the MGA Championship title and Ron Stills won the MGA Net Championship after two days of competitive play. The LGA had a jam-packed year, which included their Member-Guest where Wilma Shaw & Dena McCutcheon played to win. With events ranging from monthly Couples Tournaments, a Ladies Chip & Chatter fall series, to the LGA Championship, where Nancy Dodge was crowned champion & Connie Liley claimed the net title, our ladies had an unforgettable year. Our senior men experienced continued growth throughout the year and consistent participation in their weekly matches. They overcame wet weather and seemingly never ending delay's to the final round of the 2015 SMGA Championship. True competitors, they persisted and Rick Green managed to out shine the field in capturing both gross and net SMGA Champion titles.

2015 was a year of challenges, achievements and adversity but through the ups and downs, we found our resolve and remained committed to providing our members with an improved club and playing experience. That commitment is what drives us each day and it will not falter in the days, weeks or years ahead. We thank you for your continued support and look forward to all that's in-store for 2016.

Sincerely,

Your Golden Hills Staff
