

GOLDEN HILLS JUNIOR PLAY DAYS

Juniors aspiring to learn the game, take the PGA tour by storm or play competitively with family and friends are invited to join us this summer for our Junior Play Days. Our program includes an hour of instruction followed by play on the course. While we will work on grip, stance and ball position for full shots at the driving range; golfers will also learn course etiquette, course management, club selection and general social skills during play.

The drop off location for the start of each session will be at the Golden Hills Driving Range. Water and Gatorade will be provided throughout the camp. Pick up will be at the putting green outside the clubhouse. We'd love to see you out there!
