Spring/Summer 2023

## GOLDEN HILLS POOL

It's time to welcome our members back for another summer of fun at the Golden Hills pool. We want everyone to enjoy time at the pool but we are, first and foremost, obligated to provide a safe environment. As you read through the newsletter you will learn about the all the events and changes that will be in place during this swim season.

The pool will be open from 12:00 p.m. until 8:00 p.m. weekdays and 11:00 a.m. until 8:00 p.m. on weekends beginning Saturday, May 27, 2023 through Monday, September 4, 2023.

Lifeguards will be on duty daily during pool operating hours, when school is out of session. Lifeguards will be on duty on weekends only when school is in session. Our pool attendants help ensure that members will have a certified lifeguard available to them, rules

will be enforced, and concessions will be available during pool operating hours.

For children, we offer group and private swimming lessons for all skill levels. The lessons are recommended for children ages 4 and over; however, 3 year olds may be accepted into the program at the instructor's discretion.

We also offer a competitive swim team program for children ages 4-18.

For adults, we offer a lap swimming lane at all times (if a lane rope is not in, please ask the lifeguard for assistance).

As always our commitment is to providing you with a safe and fun environment to swim, relax and cool off on those hot summer days.

# GOLDEN HILLS GATORS SWIM TEAM

The Golden Hills Swim Team is a member of the Columbia Swim League and is open to swimmers ranging in age from 4 to 18 years. We encourage all swimmers to participate, regardless of skill or ability. Through dedication and hard work, swimmers are motivated to attain their maximum potential.

Since joining the Columbia Swim League in 2000, coaches and parents have worked to develop a successful program at Golden Hills. It is our desire to encourage the sport of swimming and for all swimmers to improve and excel. Those who attend practices regularly and display a positive attitude are given an opportunity to compete at a level appropriate for their skills.

Our success is the result of strong parental involvement and a dedicated coaching staff. Parents and coaches work closely together to help our youth meet or exceed their personal goals. We believe in teaching proper swimming

techniques and good sportsmanship, and in creating a safe, fun environment for all members and visitors to enjoy.

We are proud to offer two training alternatives: Competitive Team and Developmental Team.

To participate on the Competitive Team, swimmers must be between the ages of 4 & 18, be able to swim one length of the 25 meter pool unassisted &

swim comfortably with their face in the water. While stroke development and teaching are a very important part of what our coaches do, with a large group of swimmers, it is not reasonable to expect them to

be in the water teaching one on one. That is neither fair nor safe for the other swimmers. We recommend the Development Team for those swimmers who do not meet the minimum swimming requirements but would still like to participate on the team. No refunds will be offered after the first meet.

Participation on the Development Team requires that a swimmer be between the ages of 4 & 10 & be comfortable going under the water. The

development team is designed as an introduction to competitive swimming.

The Competitive Team will practice five times per week and members are encouraged to participate in as many swim meets as possible. The Development Team will meet three times per week and will provide swimmers with the basics of competitive swimming including stroke technique drills for all 4 competitive strokes, starts and turns. Once they are able to swim the length of the pool unassisted, they may participate in B Meets. For more information, visit our swim team website located in the swim section at [www.goldenhillsgolf.com](http://www.goldenhillsgolf.com) or contact Jennifer McLeod, Head Coach, at [goldenhillsgators@gmail.com](mailto:goldenhillsgators@gmail.com)
